Veritas Alta Capture Suite

Capture everything into the cloud.

The Veritas Alta™ Capture (formerly known as Merge1 SaaS) Suite supports the largest capture coverage in the industry, enabling organizations to ingest data from more than 120 applications and channels including financial messaging platforms, collaboration, file sharing, social media, mobile chat, and cloud-based content.

Fully Customizable: Can be customized to support any content, including proprietary content sources

Designed for Simplicity: No training required; small footprint; runs on existing infrastructure; quick setup

Add Veritas Alta Capture to:

Archive
Retain all conversations taking place by your workforce, over any medium

Comply
With message archiving regulations

Enhance
eDiscovery and legal preparedness

Archive the Business Conversations Taking Place Across All Your Platforms

As more and more business communications take place over new digital mediums such as social media and financial IM, capturing these communications has become essential for:

- Compliance with industry regulations, including financial services and pharmaceuticals
- Support of eDiscovery efforts for legal cases and investigations
- Retention of communications for corporate governance and other mandates

Avoid Monthly Fees and Migration Burdens

Veritas Alta Capture—the only archive messaging application endorsed by both Microsoft and Veritas—greatly simplifies the process of capturing and archiving messages for compliance and eDiscovery. By working with Veritas Alta™ Archiving, Veritas Alta Capture helps you avoid:

- Burdensome migration of your existing data to a third-party data store
- The hassle of running two archives in parallel
- Spending money on expensive, recurring monthly fees

The ideal combination of power and simplicity:

- Fully customizable

- Seamless cloud enablement with Veritas Alta Archiving

- Easy to set up and deploy

Helps Comply with Major Regulatory Bodies:

- Financial: SEC, FINRA, CFTC, SOX, MiFID II

- Pharma and Healthcare: FDA, HIPAA, FDCA, ARRA

- Governmental: FOIA, FISMA

- Energy and Utilities: FERC, DOE, NERC, State Regulations

- International/Commercial: FTC, GDPR

"

Veritas Alta Capture is truly a pioneer product in the compliance space. It's an easy-to-set-up solution for our many complex problems. The support team is top-notch as well.."

Bo He,
Vice President, KKR

About Veritas

Veritas Technologies is a leader in multi-cloud data management. Over 80,000 customers—including 95 percent of the Fortune 100—rely on Veritas to help ensure the protection, recoverability, and compliance of their data. Veritas has a reputation for reliability at scale, which delivers the resilience its customers need against the disruptions threatened by cyberattacks, like ransomware. No other vendor is able to match the ability of Veritas to execute, with support for 800+ data sources, 100+ operating systems, 1,400+ storage targets, and 60+ clouds through a single, unified approach. Powered by Cloud Scale Technology, Veritas is delivering today on its strategy for Autonomous Data Management that reduces operational overhead while delivering greater value.
