

## Veritas Data Insight Privacy Notice

August, 2021

When it comes to Your information, Veritas Technologies, and its group Companies (“Veritas”, “we”, “us”) take Your privacy very seriously. This Notice is designed to help You understand what information we collect or process about You and what we do with this information when You use Veritas Data Insight.

### Scope

This Privacy Notice applies to Your use of the Veritas Data Insight (“Data Insight”). To view the Complete Online Privacy Statement that applies to Your use of Veritas websites and events, please click [here](#).

### Collected Information

Data Insight collects from Your environment and stores in your environment, information (“Collected Information”), which may include, without limitation:

- File and folder metadata.
- Active Directory information for users and groups, including email addresses and attributes (configured by You).
- User activity information, including host IP addresses (subject to Opt-in by You).
- File content for automatic classification which is stored ephemerally and classification tags (subject to Opt-in by You).
- Data Insight Application logs
- Product configuration, version and performance data
- Licensing information

(individually and collectively “Collected Information”)

The Collected Information is used to enable the functionality of Data Insight and will not be automatically transmitted back to Veritas, unless You choose to do so.

### How We Use Your Information

Collected Information will be used for the purposes of:

- Providing, enabling and optimizing the performance of Data Insight;
- License administration;
- Internal research and development, including improving Veritas’ products and services; and/or
- Statistical analysis of product deployment, including analysis of trends.

We may also use Your information to send You promotional information, in accordance with Your permission, as required by applicable law.

In the event You provide information to Veritas in connection with a technical support request, such information will be processed and used by Veritas for the purpose of providing the requested technical support, including performing error analysis.

### What is the Legal Basis on which We rely to Process Your Information?

If You are from the European Economic Area or the United Kingdom, our legal basis for collecting and using Collected Information will depend on the personal information concerned and the specific context in which we collect it.

However, we will normally collect Collected Information only where we have Your consent to do so, where we need the personal information to perform a contract with You, or where the processing is in our legitimate

## Veritas Data Insight Privacy Notice

interests (provided these are not overridden by Your data protection interests or fundamental rights and freedoms). In some cases, we may also have a legal obligation to collect personal information from You.

If You have questions about or need further information concerning the legal basis on which we collect and use Collected Information, please contact us using the contact details provided in the "Contact Us" Section below.

### Transfers Of Your Information

We store and process Collected Information collected in connection with the Data Insight in: (i) any country where we have facilities, or (ii) any country in which we engage service providers. Further circumstances can be found in the 'How We Share Your Information' Section of this Privacy Statement.

If You are from the European Economic Area ("EEA"), we will protect Your Information when it is transferred outside of the EEA by:

- Processing it in a territory which the European Commission has determined provides an adequate level of protection for personal information; or
- Otherwise implementing appropriate safeguards to protect Your personal information, including through the use of Standard Contractual Clauses or another lawful transfer mechanism approved by the European Commission.

If You require further information about our international transfers of personal information, please contact Veritas using the contact details in the "Contact Us" Section below.

### How We Share Your Information

Veritas does not sell, rent, lease, release, disclose, disseminate or otherwise make available to another business or third party, Collected Information, for purposes other than those needed to provide our products and services and in accordance with the "How We Use Your Information" Section above.

We are a global organization and, as such, we process information in many countries and the Collected Information will be stored and processed manually and electronically through global systems and tools for the purposes above. The Collected Information may be accessible by Veritas employees or contractors on a need-to-know basis, exclusively to be used in accordance with the purposes described above. For the same purposes the Collected Information may be shared with partners and vendors that process information on behalf of Veritas. Veritas has taken steps so that the Collected Information, if transferred, receives an adequate level of protection.

In order to promote awareness, detection and prevention of internet security risks, Veritas may share the information collected through Data Insight and/or information we may receive from You when You receive technical support, with research organizations and other security software vendors. Veritas may also use statistics derived from Your information through Data Insight or submitted by You, to track and publish reports on security risk trends.

Please be advised that in certain instances, it may be necessary for Veritas to disclose Your personal information to government officials or otherwise as required by our legal obligations.

We may need to share Collected Information where it is necessary to obtain advice on legal, financial or other regulatory matters.

In the process of continuing to develop our business, we may choose to buy or sell certain assets. As a result of these transactions, customer information is usually one of the business assets that is transferred. If we were acquired or a substantial portion of our assets were sold, or if we were to go out of business, enter bankruptcy proceedings or experience some other change in control, Collected Information may be part of the assets which are acquired by or transferred to a third party. If appropriate we may take reasonable steps to notify You of any such deal and outline Your choices in that event.

## Veritas Data Insight Privacy Notice

### How We Protect Your Information

To protect Your information, we have taken appropriate organizational, administrative, technical, physical and procedural security measures, consistent with international information practices.

### Your Obligation to Personal Information

It is Your responsibility to ensure that any disclosure by You to Veritas of personal information of Your users or third parties is in compliance with national laws governing the collection, use and protection of personal information applicable to Your country or region of operation. In particular, it is Your responsibility to inform users and third parties that You are providing their information to Veritas, to inform them of how it will be used and to gather appropriate consents required for such transfer and use.

### Disclosures to Law Enforcement

Subject to applicable laws, Veritas reserves the right to cooperate with any legal process and any law enforcement or other government inquiry related to Your use of Data Insight. This means that Veritas may provide documents and information relevant to a court subpoena or to a law enforcement or other government investigation.

### Accessing, Updating, or Correcting Your Information

You are able to view and update much of Your Information via Your MyVeritas account. In addition, You may ask us for a copy of Your Collected Information, and/or ask us to correct it, erase it or to transfer it to other organizations at Your request. You also have rights to object to some processing such as automated decision making and profiling. Where we have asked for Your consent to process Collected Information, You may withdraw this consent at any time. Where we process Collected Information because we have a legitimate interest in doing so (as explained above), You also have a right to object to this. In certain circumstances, You may also have the right to restrict processing of Collected Information. These rights may be limited in some situations – for example, where we can demonstrate that we have a legal requirement to process Collected Information. To exercise Your rights, please contact us using the details in the “Contact Us” Section below and we will assist You.

### Contact Us

For any inquiry about the information contained in this Notice or about Veritas’ privacy practices, please contact us at [privacy@veritas.com](mailto:privacy@veritas.com).

We hope that we can satisfy queries You may have about the way we process Collected Information. However, if You want to make a complaint on how we have handled Your personal information, please contact our data protection officer, using the contact details above, who will investigate the matter and report back to You. If You are still not satisfied after our response or believe we are not using Collected Information in line with the law, You also have the right to complain to the data-protection regulator in the country where You live or work. For the UK, that’s the [Information Commissioner](#).

### Changes To This Notice

We reserve the right to revise or modify this Notice. If this happens, we will post a prominent notice on this website prior to the change becoming effective. If the change would have the effect of introducing a purpose for the use of Your personal information, which is inconsistent with this notice, and where required by applicable law, we will either notify You or provide You with an opportunity to opt-out from such use.
